RACHEL B. HEAD, MD OFFICE FINANCIAL POLICY

Dr. Head is committed to maintaining a healthy patient-physician relationship and providing you with the best urology care possible. Our goals are best achieved when communication of our office procedures are given to you upon arrival. We strive to give you an excellent medical experience while in our office. We ask that you honor our policies so that you may have the same special treatment as each and every patient.

INSURANCE

As a courtesy to our patients, all services performed in our office and at the hospital will be submitted to your insurance company. It is the responsibility of the patient to provide accurate insurance information. If the insurance information you provide is incorrect or expired, and you provide no current insurance information, the balance becomes your responsibility. According to your insurance plan, you are responsible for co-payments and deductibles. We are under contract with your insurance company to collect all co-pay amounts at the time of service. Your co-pay is to be collected before you are seen in the office. If you are unable to pay your co-pay at this time, you will be asked to reschedule. If your insurance plan requires you to pay a percentage of your doctor's visit or surgery (example 80%/20%), you will be asked to pay this amount at the time of service. If you are in need of surgery, we will collect the estimated amount that your insurance does not cover up front. If you have any questions regarding this or are in need of payment arrangements, you may speak to the office manager. It is important for you to read and understand your insurance policy. Any services performed by Dr. Head that are not covered by your insurance, will be your responsibility. Dr. Head reserves the right to refuse your insurance plan if she is not in network.

NO INSURANCE

If you have no insurance, you will be asked to **pay** your visit **up front**. If you are in need of surgery and cannot pay the full amount up front, you may speak to the office manager for payment arrangements.

REFERRALS

If your insurance requires a referral from a primary care physician, you will be required to see your primary care doctor to get the referral before you come for an appointment at our office. If you fail to comply with your insurance and our office policy you may be responsible for payment for all services or for paying a deductible and coinsurance. It is your responsibility to obtain a referral or prior authorization if your medical coverage requires it.

BILLING AND PAYMENTS

The patient/patients guardian is responsible for co-pays and uninsured amounts at the time of the service. We accept payments via Check, Cash, Money Order, Mastercard, Visa, Discover, American Express and Care Credit. If any patient was to have a potential credit on account, it can be used for future dates of service. Statements will be mailed monthly and payment is due upon receipt, if payment is not received within 120 days it will be turned over to a collection agency.

APPOINTMENTS

Please make every effort to arrive on time for your scheduled appointment. If you cannot make it to your appointment, please call as quickly as possible to reschedule/cancel. If you arrive more than 15 minutes late you will be asked to

reschedule to the next available date. Missed appointments represent a cost to us, and to the patients that need care. There is a \$25.00 charge for missed appointments without at least a 3-hour cancellation prior to scheduled appointment time. There will be a \$50.00 Charge for missed or late procedural appointments. There will be a \$100 charge for surgeries cancelled within 24 hours of the scheduled surgery.

MEDICAL RECORDS AND FORMS

For your protection, medical records will not be released to individuals that are not listed in your chart. **Medical Records requested by an attorney, a medical source or patient may have a \$25.00 charge.** For any other forms there is a charge of \$10.00 per page. Turnaround time for forms could take up to 5-7 days.

PRESCRIPTION REFILLS

Please notify our office **24 hours in advance for any prescription refills**. If you see that you are going to run out of your prescription over the weekend, please call our office by Thursday so we can get it called in by noon on Friday. **We reserve the right to limit or deny refills as needed to protect your health**. Dr. Head reserves the right to charge \$25.00 for repeated narcotic prescription refills if necessary.

TELEPHONE CALLS

Dr. Head, as well as staff **does not** return calls while seeing patients. Your call will be returned either at lunch or after seeing patients for the day. If your call is due to a medical emergency, you should dial 911 or go to the emergency room at Nacogdoches Memorial Hospital or Nacogdoches Medical Center. Dr. Head will be notified by the emergency room upon your arrival.

RELEASE AND IMPORTANT NUMBERS

We require that you provide us with a copy of your driver's license, insurance card and social security number. These documents are necessary for filing insurance and collection efforts. We cannot see you without this information.

RETURNED CHECKS

A \$25.00 fee will be charged for all returned checks.

REVIEWS

If you are pleased with your care, please leave a Google or Facebook review. If you are unsatisfied with your care, please contact our office manager or the physician directly. However, if you choose to post a negative review on a public forum, we consider this a termination of the patient-doctor relationship.

Please sign here in agreement to our office policies. If you	have any concerns, please contact our Office Manager.
